Student Days brings the Renaissance – The Age of Discovery to life for students through interactive displays, study and entertainment. Student Days were created to highlight the educational aspects of the Renaissance time period. Student Days have incorporated the new core standard and are addressing STEM needs through the Festival's partnership with Arizona Sci Tech Festival. Learning opportunities include language, science (interactive displays in partnership with Arizona SciTech Festival), mannerisms, customs, artisans, music, trades, birds of prey, jousting and more! A study guide is available for teachers to help with the lesson plan to enhance the field trip. Student Days is an engaging and exciting way to get the students interested in history! The Festival provides students with a chance to do more than just read about history....WE LET THEM EXPERIENCE IT!

Here's what some of your fellow educators have to say about Student Days

*"Our school had a marvelous time and hope to visit once again this coming year! Congratulations to you, the Festival and your fantastic cast and volunteers. You have brought to life the Renaissance traditions for our students and chaperones." - Tim Hulstrom, Academic Advisor, Imagine Prep*

*"I have found that the performers at the Renaissance Festival are not only actors and entertainers, but educators that are committed to bringing the Renaissance period to life for the audience. They strive for accuracy in what they present to young people. Social studies teachers will find a direct correlation to World History Standards (Strand 2, Concept 4-Renaissance and Reformation), as well as potential integration with Reading and Writing Standards." - William Meldrum MEd., Director of Bands and Choirs, Agua Fria High School, Avondale, AZ*

**Visit our website to learn more about Student Days!**

"We know what we are, but not what we may be." - William Shakespeare

"It is our choices ... that show what we truly are, far more than our abilities." - J.K. Rowling (Harry Potter and the Chamber of Secrets)
